Dear Friends:

Congratulations on celebrating 25 Seasons of the Lewisville Lake Symphony!

I am pleased to extend greetings and best wishes to all attending tonight's Anniversary Concert. I know this is a special milestone for all who have supported Lewisville Lake Symphony over the past 25 years.

I commend the volunteers, sponsors, members and musicians who have helped make the Lewisville Lake Symphony one of the most respected regional orchestras in the state. The North Texas community is fortunate to have access to such quality classical music.

With best wishes for continuing success,

Sincerely,
