Dear Ms. Wright:

Congratulations on the 25th anniversary of the Lewisville Lake Symphony!

The symphony has played a significant role in enriching the arts community in Lewisville since its beginning, and I am so thrilled at all you have accomplished. As a former classroom teacher and a mother of five, I am especially proud of the programs and events for our area's students, from kindergarten to college. The symphony not only emphasizes the importance of the arts, but also maintains a focus on maintaining good stewardship of taxpayer and corporate grant money. I know that the Lewisville Lake Symphony will continue to have a positive impact in our region and hope that you have a wonderful anniversary celebration.

Please do not hesitate to let me know any time I can be of service to you!

Very truly yours,
